Bar Dates Approved by the Court

The Court has established the following Bar Dates as those dates by which parties holding claims against the Debtors that arose (or that are deemed to have arisen) before June 28, 2023 must file Proofs of Claim so that they are **actually received** by Stretto:

General Bar Date:

October 13, 2023 at 4:00 p.m. prevailing Eastern Time, is the date by which all entities (which includes individual persons, estates, trust, partnerships, and corporations, among others (but not Governmental Units)) must file Proofs of Claim, including claims under section 503(b)(9) of the Bankruptcy Code.

Governmental Bar Date:

December 26, 2023 at 4:00 p.m. prevailing Eastern Time, is the date by which all Governmental Units holding claims (whether secured, unsecured priority, or unsecured non-priority) must file Proofs of Claim, including claims for unpaid taxes, whether such claims arise from prepetition tax years or periods, or prepetition transactions to which any of the Debtors were a party, and Requests for Payment, as applicable.

Administrative Claims Bar Date:

October 13, 2023 at 4:00 p.m. prevailing Eastern Time, is the date by which all entities (including individuals, partnerships, corporations, joint ventures, trusts, but not including Governmental Units) must file with the Court and serve on the Debtors Requests for Payment for administrative claims pursuant to section 503 of the Bankruptcy Code arising between the Petition Date (as defined below) and August 31, 2023 (the "Administrative Claims Deadline"), excluding (i) claims for

professional fees and expenses in these proceedings; (ii) claims arising under section 503(b)(9) of the Bankruptcy Code against any of the Debtors; and (iii) claims for which Governmental Units are exempt from filing Requests for Payment pursuant to section 503(b)(1)(D) of the Bankruptcy Code (the “Administrative Claims”), against any of the Debtors.

Parties Required to File Claims Forms

- A. Definition of Claim.** Under section 101(5) of the Bankruptcy Code and as used herein, the word “claim” means: (i) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (ii) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.
- B. Parties Who Must File Proofs of Claim or Requests for Payment.** Except as otherwise set forth herein, any person or entity that holds General Claims or Governmental Claims against the Debtors that arose (or are deemed to have arisen) before the Petition Date must file Proofs of Claim on or before the applicable Bar Date, including requests for payment under section 503(b)(9) of the Bankruptcy Code. All other administrative claims under section 503(b) of the Bankruptcy Code must be made by filing separate Requests for Payment in accordance with section 503(a) of the Bankruptcy Code and the Bar Date Order and shall not be deemed proper if made by Proof of Claim.
- C. Parties Who Do Not Need to File Proof of Claim Forms.** Certain parties are not required to file Proofs of Claim. The Court may, however, enter one or more separate orders at a later time requiring holders of claims to file Proofs of Claim for some kinds of the following claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. The following persons or entities holding claims that would otherwise be subject to the applicable Bar Date need not file Proofs of Claim:
- (a) any person or entity that has already filed a Proof of Claim against the Debtors in the above-captioned cases in a form substantially similar to Official Form 410 so long as the claimant does not wish to assert such Claim against a Debtor who was not named in the original Claim, in which case another Proof of Claim must be filed;
 - (b) any person or entity whose claim is listed on the Schedules; provided, that (i) the Claim is not listed on the Schedules as “disputed,” “contingent,” or “unliquidated,” (ii) the person or entity does not disagree with the amount, nature, or priority of the Claim as set forth in the Schedules, and (iii) the person or entity does not dispute that the Claim is an obligation of the specific Debtor against which the claim is listed in the Schedules;

- (c) any holder of a Claim that heretofore has been allowed by order of this Court;
- (d) any holder of a Claim that has been paid in full by any of the Debtors;
- (e) any holder of a Claim for which different specific deadlines have previously been fixed by the Court prior to entry of the Bar Date Order;
- (f) any Claim by a Debtor against another Debtor;
- (g) any person or entity that holds an equity security interest in the Debtors, which interest exclusively is based upon the ownership of common or preferred stock, membership interests, partnership interests, or warrants, options, or rights to purchase, sell, or subscribe to such a security or interest; *provided*, that if any such holder asserts a General Claim (as opposed to an ownership interest) against a Debtor (including a claim relating to an equity interest or the purchase or sale of such equity interest), a Proof of Claim must be filed on or before the applicable Bar Date pursuant to the Procedures;
- (h) with respect to any Claim, any person or entity who is not required to file a Proof of Claim pursuant to the *Interim Order (I) Authorizing the Debtors to (A) Obtain Post-Petition Financing, (B) Grant Liens and Superpriority Administrative Expense Claims to Post-Petition Lenders and (C) Utilize Cash Collateral, (II) Providing Adequate Protection to Pre-Petition Secured Parties, (III) Modifying the Automatic Stay, (IV) Granting Related Relief, Pursuant to 11 U.S.C. Instructions for Proof of Claim

United States Bankruptcy Court

12/15

These instructions and definitions generally explain the law. In certain circumstances, such as bankruptcy cases that debtors do not file voluntarily, exceptions to these general rules may apply. You should consider obtaining the advice of an attorney, especially if you are unfamiliar with the bankruptcy process and privacy regulations.

A person who files a fraudulent claim could be fined up to \$500,000, imprisoned for up to 5 years, or both.
18 U.S.C. §§ 152, 157 and 3571.

How to fill out this form

- Fill in all of the information about the claim as of the date the case was filed.
- Fill in the caption at the top of the form.
- If the claim has been acquired from someone else, then state the identity of the last party who owned the claim or was the holder of the claim and who transferred it to you before the initial claim was filed.
- Attach any supporting documents to this form.
Attach redacted copies of any documents that show that the debt exists, a lien secures the debt, or both. (See the definition of *redaction* on the next page.)

Also attach redacted copies of any documents that show perfection of any security interest or any assignments or transfers of the debt. In addition to the documents, a summary may be added. Federal Rule of Bankruptcy Procedure (called “Bankruptcy Rule”) 3001(c) and (d).
- Do not attach original documents because attachments may be destroyed after scanning.
- If the claim is based on delivering health care goods or services, do not disclose confidential health care information. Leave out or redact confidential information both in the claim and in the attached documents.

- A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, individual’s tax identification number, or financial account number, and only the year of any person’s date of birth. See Bankruptcy Rule 9037.
- For a minor child, fill in only the child’s initials and the full name and address of the child’s parent or guardian. For example, write *A.B., a minor child (John Doe, parent, 123 Main St., City, State)*. See Bankruptcy Rule 9037.

Confirmation that the claim has been filed

To receive confirmation that the claim has been filed, either enclose a stamped self-addressed envelope and a copy of this form or go to <https://cases.stretto.com/iMediaBrands/claims/>

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate.
11 U.S.C. § 503.

Claim: A creditor’s right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy.
11 U.S.C. § 101 (5). A claim may be secured or unsecured.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Do not file these instructions with your form.
